COMMUNITY PARTNERSHIP DAY

(Parent – Led Conferences)

Wednesday 30 January (9.00 – 3.00pm)

This is a first time offered opportunity, prior to school starting, for parents to meet with their child's new teacher to pass on any relevant information that will help the teacher to better understand their child and transition them successfully into their new class/hub. Students will also be able to visit and view their new class and hub too. This is a new innovation for Birchwood School and we hope you take advantage of it.

Bookings will be online. For families without internet access you can make your appointment through the school office, which will be open from Monday 7 January, by phoning Sue 547 3028. YOU can do your booking right now by following the three simple steps below.

Interviews will be for 10 minutes
